

To the Judges of Election, Precinct No. _____

The following named voters are unable to access or enter the polling place because of their physical disability. They have, therefore, requested that their ballot/ballots be delivered to them outside of the polling place (by 2 judges of elections of opposite party affiliation) at the location specified by their name, but in no case shall a ballot be delivered to a voter beyond 50 feet of the entrance to the building in which the polling place is located.

[illegible]

After the voter has marked his/her ballot and placed it in the ballot envelope (or folded it in the manner prescribed for paper ballots), the 2 judges of elections shall return the ballot to the polling place and give it to the judge in charge of the ballot box who shall deposit it therein.
